

**U.S. Transport Task Force Workshop
April 6-9, 2011 Bahia Resort, San Diego, CA USA**

Permission is hereby given to the Princeton Plasma Physics Laboratory, Princeton University, Princeton, NJ and the Program Committee of the U.S. Transport Task Force (TIF) Workshop held in San Diego, CA USA, April 6-9, 2011 to publish my presentation on the conference website:

<http://tff2011.pppl.gov>

I understand that the conference website is available to the general public, and with my signature I agree to the release of all information contained in my presentation entitled:

Beta Scaling of Turbulence and Transport

I do not hold Princeton Plasma Physics Laboratory, Princeton University, Princeton NJ or the US TIF Program Committee responsible for the accuracy of the content of my presentation, or its use.
